

Works council election 2026: Simplified election procedure

Easy voting in establishments with up to 100 employees

The simplified election procedure sounds straightforward at first, but it does present some challenges and pitfalls. Thorough preparation is therefore essential for you as an electoral board to ensure that the election goes smoothly. Our experienced trainers will show you the entire process of the simplified election procedure step by step. Whether deadlines or formalities - after this training you will have everything under control!

Dieses Seminar eignet sich für

alle Mitglieder des Wahlvorstands in Betrieben mit 5 bis 100 sowie mit 101 bis 200 wahlberechtigten Arbeitnehmern, für die das vereinfachte Wahlverfahren vereinbart wurde und für Betriebsratsmitglieder, die bei der Organisation und Durchführung der BR-Wahl im vereinfachten Wahlverfahren mitwirken.

Kostenlos für Sie

In diesem Seminar lernen Sie:

Basic knowledge on the works council election

- The simplified election procedure at a glance: Timing and procedures
- Knowing important definitions and regulations in the Election Regulation
- Protection of the works council election: Job security and election costs
- The electoral board: Your special rights and obligations

Voter list: Who can vote, who can be elected?

- Find out everything you need to know about eligibility to vote and eligibility to stand for election
- Confidently classify doubtful cases: Executive staff, temporary agency workers, etc.
- Create an error-free voter list and handle objections competently

Letter announcing the start of the election season and nominations

- Timetable for the works council election: Important deadlines and contents of the letter announcing the start of the election season
- As an electoral board, take appropriate account of the minority gender
- Person voting: Special features of nominations and supporting signatures
- Everything you need to know about submitting, checking and announcing nominations

Election day: Conducting the works council election correctly

- Organizing the election meeting correctly and avoiding stress
- How to vote at the polling station - step by step!
- Not around on election day? Here's how to vote by mail
- Public vote counting and seat distribution

After the works council election

- Finish line: prepare the election record and announce election results
- Convene the new works council for the first meeting
- Total loss, but avoidable: Contesting elections and nullity

Works council election 2026: Simplified election procedure
